Intramural CURLING

GAME: Curling is similar to “shuffleboard” on ice. Large stones (with handles) are “curled” down the ice to a target area. Scoring involves getting stones closest to the center of the target area. Opponents can be knocked out of the target area.

TEAMS: Each team has 4 players playing during an “end”. An “end” is similar to an inning in softball. There are 4 ends in a game. You can change players at the beginning of an end, so you may have more than 4 on your team if you like….it is recommended that you do not have more than 6 on your team. A team may have all men, all women or any combination. There is a limit of 120 teams for this tournament. First come—first served. An individual may play on ONE team only.

WHEN: The tournament is single elimination. All teams will play a minimum of 1 game and a maximum of 4 games. Teams will not play more than 2 games in one night. Games take approximately 45 minutes to 1 hour. Tournament dates and times:
