Intramural Team Bowling

ENTRY PROCEDURE: Sign up ONLINE and you will be asked to choose 4 dates/times that your team can be available. Entries will be accepted Mon. Jan. 25 through Wed. Feb. 3

WHO CAN PLAY: Spring 2016 ISU students and Rec Pass Holders are eligible to participate

All participants must have a current and valid ISUCard.

- ISU has a Bowling Club – an Intramural team may not have more than 1 Bowling Club TRAVELING team member.

TEAMS: When your team shows up to bowl, you must have 4 people. You may not bowl with more or less than 4. You may enter a team without knowing exactly who will show up to bowl. It can be any combination of men or women. You may have all women, all men or a co-ed team with 2 & 2 or 3 & 1. The online entry form is “not official”…so you can substitute for anyone that you sign up. The 4 bowlers who show up to bowl – that is your “official team”. If the 4 bowlers who bowl the 1st time cannot bowl on your 2nd date – you may substitute other individuals as long as they have not bowled on another team.

Questions - contact Linda (see above)

HOW OFTEN: Your team will bowl TWO times. We will try to assign your team to two of its four choices. There were 101 teams last year – if your four choices have already been filled by other teams – you will be randomly assigned an evening/time. Your two bowling dates/times will each last approximately 1 hour and 30 min.

WHEN: See the dates and times below and on the Bowling Flyer (webpage)…..when you enter you will be asked to select 4 dates/times. If something comes up and you cannot make the date that you are scheduled to bowl, you may contact the sport director and see if there are any available times that could work for your team. The schedule will be posted online: Friday, February 5 at 4pm. The individual who entered the team will be notified by ISU email to check the online schedule.

WHERE: Memorial Union Lanes - they are located on the basement level, southwest side. They have automatic scoring - so you do not need to know how to keep score.

MONEY: There is no entry fee. The Intramural Program will pay for the games and the Union Recreation Center is providing bowling shoes for FREE.

RESULTS: Teams will be placed in order according to their score.

Results will be posted online: Monday, March 7
